Business Owner,

As a fellow business owner, I understand that standing out and being a market leader is important to us all. The holiday season is sneaking up quickly. Do you know what you are doing for your team members for the holidays? Want to send something special to your valued customers? Do you have VIP's that you want to keep as VIP's? We can help. This holiday season, give them something special. Everyone loves the gift they can eat.

At Granny's Confections, we make every order of brittle, label and package them by hand to ensure the quality we are known for. Our one pound containers of peanut brittle, pecan brittle, coconut brittle, cashew brittle, and almond brittle will ensure your team members and customers know how much you value them. What a great way to show your appreciation for what they do every day.

For the holidays, we have put together a holiday box that is perfect for everyone on your list. This three-pound box includes peanut brittle, cashew brittle and pecan nestled in a holiday themed box filled with green and red crinkle-cut holiday paper. This year we are offering the holiday box at a special price of \$36.99. Imagine how special the recipient of this special gift will feel when they open the box and see your special gift. This is something that they will not forget.

We are also offering a single one-pound container packaged in a red and white holiday themed box without the green and red crinkle-cut holiday paper. Pricing varies from \$11.99 to \$17.99, depending on the type of brittle you choose.

Our brittle also makes the perfect gift for new customers, customer appreciation, anniversaries, birthdays and more. If you can celebrate it, brittle makes the perfect gift.

I would love to talk to you more about our company and how we can help your business. Please give me a call or email me. I look forward to talking with you.

Quantities are limited. Call now to reserve your holiday order.
